Plastic Circular Economy

Paul de Hoog

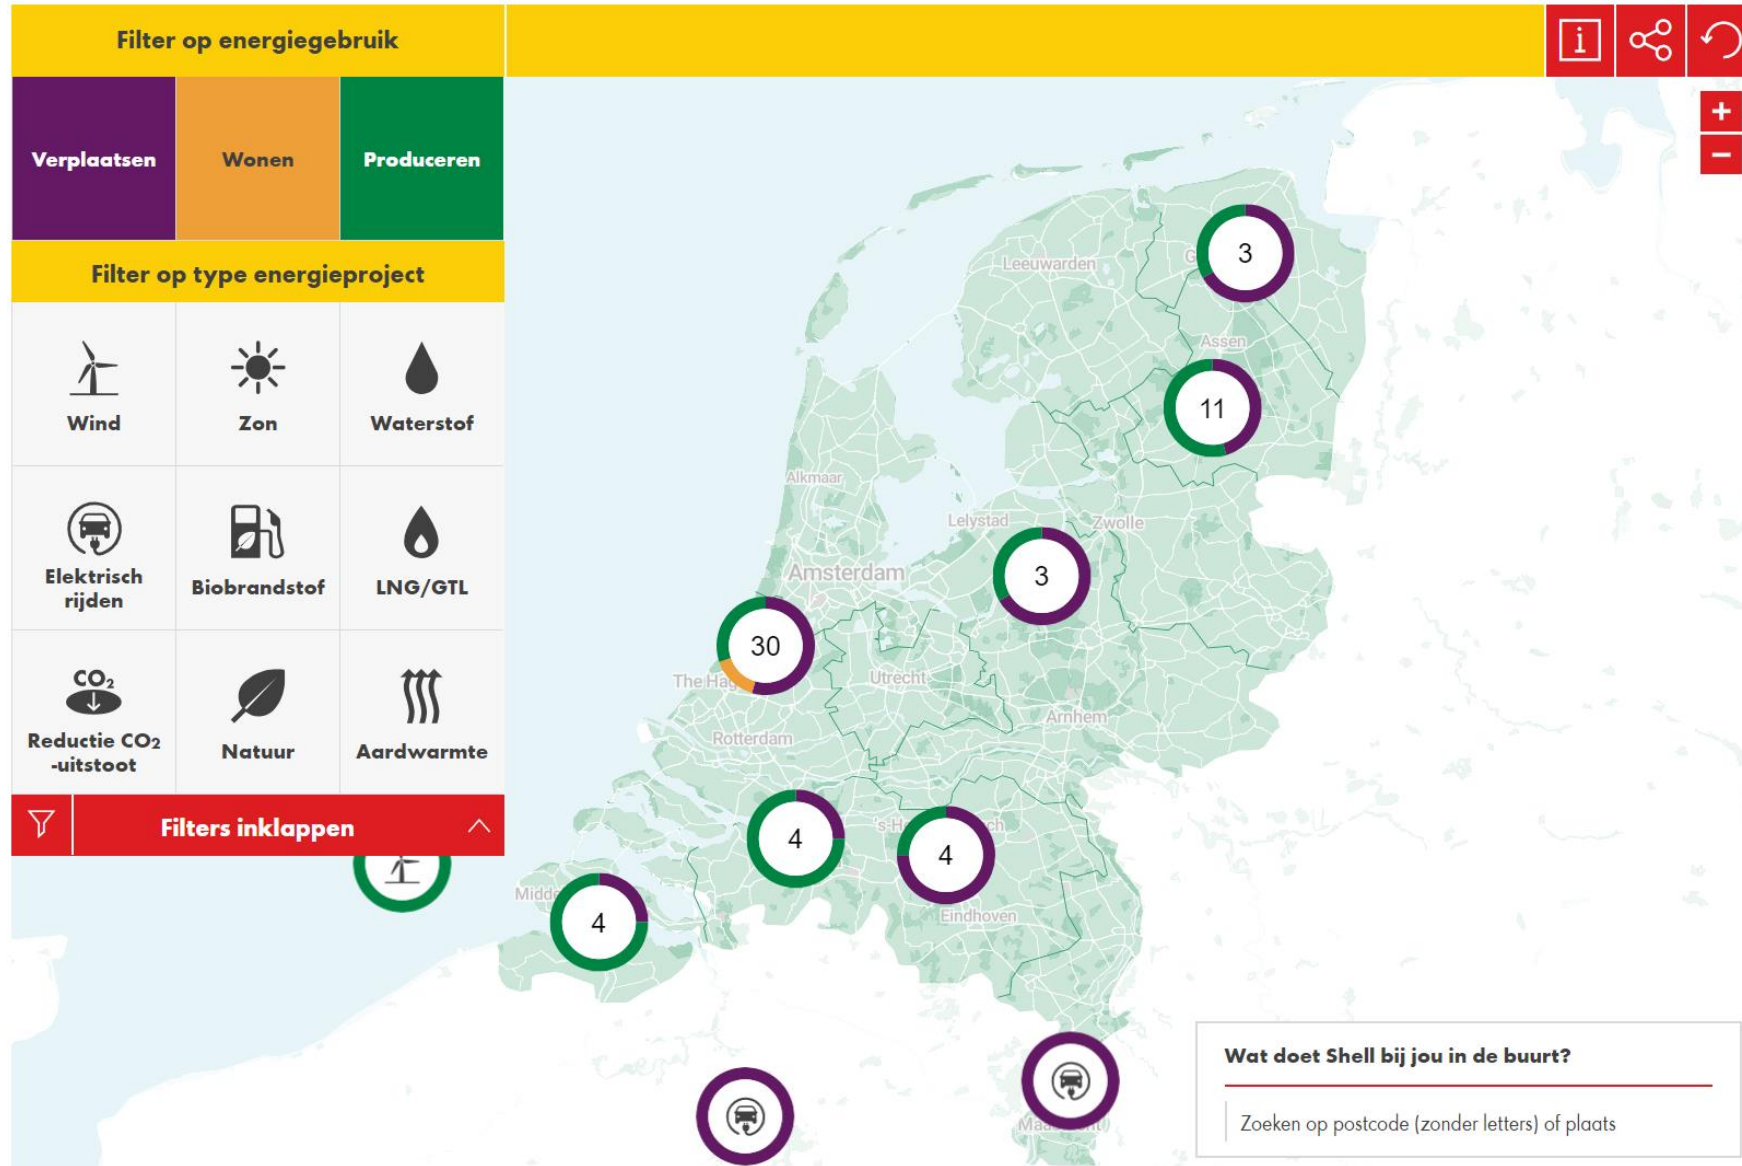

Shell Chemicals Park Moerdijk – 08/09/2023

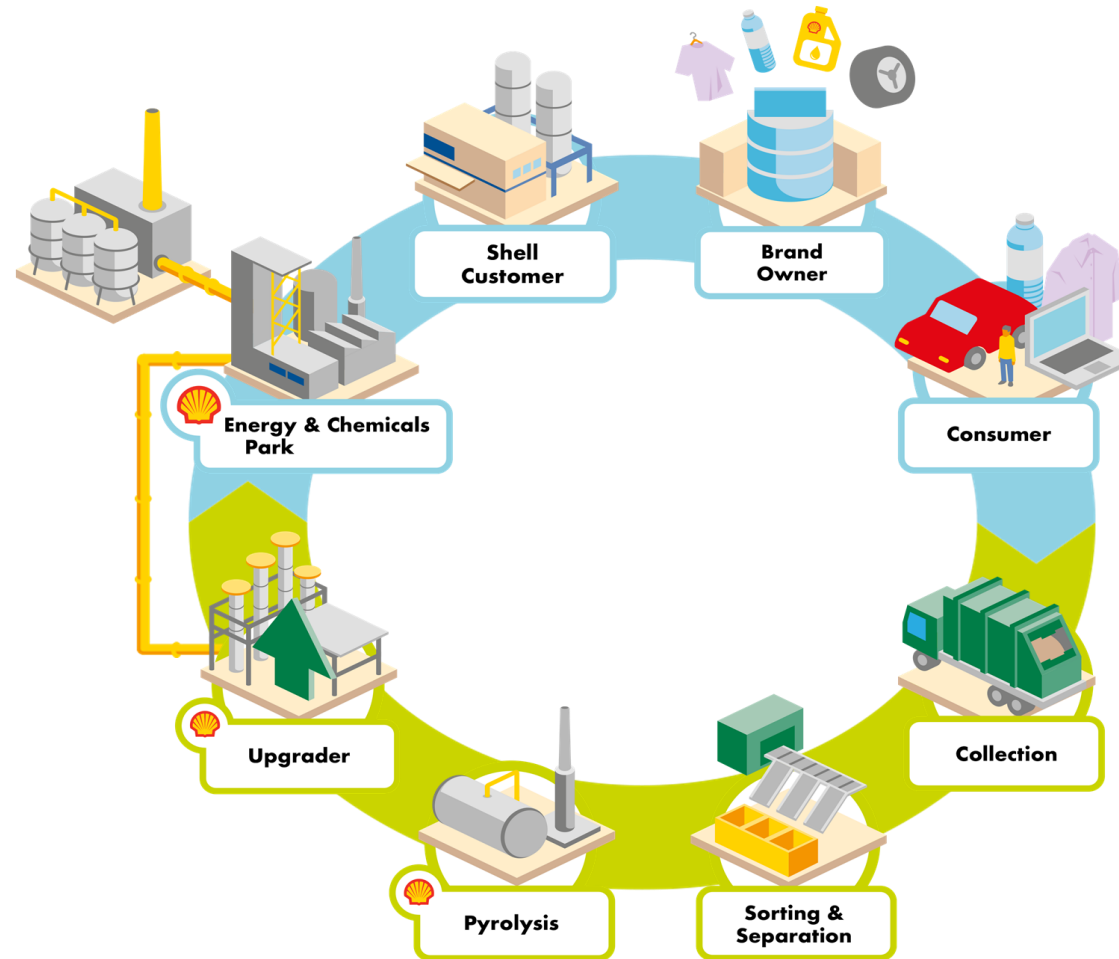

Wij bouwen aan een
nieuwe manier om plastic
afval te recyclen.

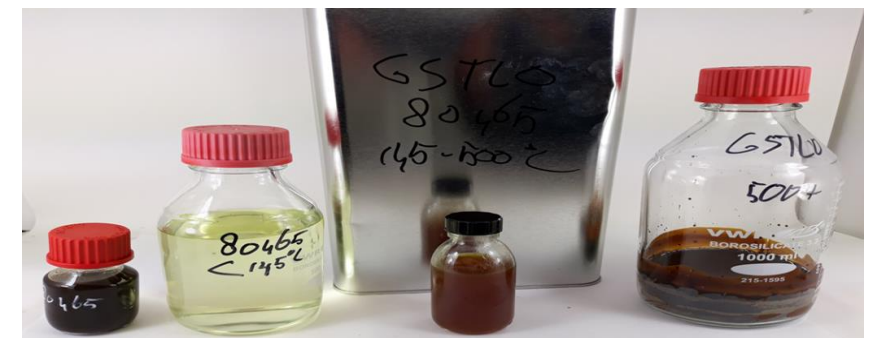

Shell werkt hard aan de energietransitie in NL...

Shell is working with all parties in the chain to make the circular economy happen.

Plastic waste – a new business for Shell

Pre-Assembled Unit (PAU): Fabricated off-site, shipped to Moerdijk
